

MONS EXPO 2007 Open international F3P competition 04 14-15

al, Friday 20 April 2007 - 18:30:53

This weekend was exciting not only for USA indoor pilots because of ETOC, European guys also had chance to compete in last big and serious F3P competition of this season. We just back from Belgium, Mons, this time Lithuania team was only from two pilots, me and my good friend Ricardas Siumbrys. It was long trip and sometimes is to difficult to prepare everything for more persons. We are very happy with result we achieve!
